1. After discussion today, it was decided that Package II will consist of Southern Africa and the North-South Dialogue. Package IV will be the Arab-Israeli situation and Petroleum and Petro-dollars.

2. At our next session with Carter and/or Eizenstat, we will attempt to drop Southeast Asia as a separate briefing topic. We will also explore their interests in various other topics that have been suggested, including Japan, Sino-Soviet relations, nuclear proliferation, and terrorism.

3. Briefers will be drawn only from NIO and CIA resources. Please let me know the list of briefers when they are worked out.

4. Please refer any question of format, etc., to [REDACTED] and keep him posted on your production requirements.

5. The DCI does not wish to review briefings in preparation. He will look at the material on route to Plains.
